

§ 39.720

(3) Return trip to home at the end of the school year.

(b) To calculate the actual miles driven to transport students from home to school at the start of the school year, add together the miles driven for all buses used to transport students from their homes to the school. If a school transports students over unimproved roads, the school must separate the number of miles driven for each bus into improved miles and unimproved miles. The number of miles driven is the sum of:

(1) The number of miles driven on improved roads; and

(2) The number of miles driven on unimproved roads multiplied by 1.2.

(c) The annual miles driven for each school is the sum of the mileage from paragraphs (b)(1) and (b)(2) of this section multiplied by 4.

REPORTING REQUIREMENTS

§ 39.720 Why are there different reporting requirements for transportation data?

In order to construct an actual cost data base, residential and day schools must report data required by §§ 39.721 and 39.722.

§ 39.721 What transportation information must off-reservation boarding schools report?

(a) Each off-reservation boarding school that provides transportation must report annually the information required by this section. The report must:

(1) Be submitted to OIEP by August 1 and cover the preceding school year;

(2) Include a Charter/Commercial and Air Transportation Form signed and certified as complete and accurate by the School Principal and the appropriate ELO; and

(3) Include the information required by paragraph (b) of this section.

(b) Each annual transportation report must include the following information:

(1) Fixed vehicle costs, including: the number and type of buses, passenger size, and local GSA rental rate and duration of GSA contract;

(2) Variable vehicle costs;

(3) Mileage traveled to transport students to and from school on school

25 CFR Ch. I (4–1–14 Edition)

days, to sites of special services, and to extra-curricular activities;

(4) Medical trips;

(5) Maintenance and Service costs; and

(6) Driver costs;

(7) All expenses referred to in § 39.707.

§ 39.722 What transportation information must day schools, on-reservation boarding schools and peripheral dormitory schools report?

(a) By August 1 of each year, all schools and peripheral dorms that provide transportation must submit a report that covers the preceding year. This report must include:

(1) Fixed vehicle costs and other costs, including: the number and type of buses, passenger size, and local GSA rental rate and duration of GSA contract;

(2) Variable vehicle costs;

(3) Mileage traveled to transport students to and from school on school days, to sites of special services, and to extra-curricular activities;

(4) Mileage driven for student medical trips;

(5) Costs of vehicle maintenance and service cost, including cost of miles driven to obtain maintenance and service;

(6) Driver costs; and

(7) All expenses referred to in § 39.707.

(b) In addition, all day schools and on-reservation boarding schools must include in their report a Day Student Transportation Form signed and certified as complete and accurate by the School Principal and the appropriate ELO.

MISCELLANEOUS PROVISIONS

§ 39.730 Which standards must student transportation vehicles meet?

All vehicles used by schools to transport students must meet or exceed all appropriate Federal motor vehicle safety standards and State or Tribal motor vehicle safety standards. The Bureau will not fund transportation mileage and costs incurred transporting students in vehicles that do not meet these standards.
